Re: FOIA Control Number FI-122677  
Negotiated Sales to State HFA's

Dear Ms. Magruder:

On January 22, 1996, Ervin and Associates submitted the above-referenced FOIA request for the 17 proposals submitted by State HFA's. On March 22, 1996, Lucie Du spoke to Dorothy Fason who indicated that this information could not be released because contracts had not been let. When Lucie informed Ms. Fason that this was contrary to the press releases which identified the three successful HFA's, she agreed that this did not make sense.

To date, we have received no response to the above-referenced request. Please provide us with an update as to when we can expect to receive this information.

Ervin and Associates agrees to pay all applicable fees associated with preparing the response to our request, and we understand that HUD will inform us of the amount owed once it is determined. If you should have any questions, or need any further information, please do not hesitate to call me directly at 301/469-3404.

Very truly yours,
