Re: Request for Information under the Freedom of Information Act - List of All Contracts Under Which Hamilton Securities has Served in a Subcontractor Capacity

Dear Ms. Magruder:

Hamilton Securities has served as a forced subcontractor under numerous HUD contracts and collected large fees in doing so. In each case Helen Dunlap directed the Prime Contractors to engage Hamilton as a subcontractor. We understand this occurred in a Due Diligence contract with Williams Adley & Company, as well as Management Studies contracts with Coopers & Lybrand and Price Waterhouse.

Based on this we are requesting the following information under FOIA:

- A listing of all contracts under which Hamilton Securities has served as a subcontractor;
- A listing of all fees paid to Hamilton in a subcontracting capacity;
- Method of payment, i.e., hourly, did they pass through costs;
- A copy of any HUD or Prime Contractor documents justifying the award to Hamilton and information on whether these were competitively bid, and if not, why not.

Ervin and Associates agrees to pay the cost associated with processing this request. If you should have any questions, or need any further information, please do not hesitate to call me directly at 301/469-3404.

Very truly yours,
