Re: Freedom of Information Act Request  
Request for Other Than Full and Open Competition, Form HUD-24012, For  
Contract DU-208C950000003 To The Kerry Company

Dear Ms. Aldrich:

Please consider this a formal request for the following under the provisions of the Freedom of Information Act:

- Form HUD-24012, including any exhibits or attachments, which was completed for contract DU-208C950000003 to the Kerry Company for SWAT services; and
- Any other documentation which requests or explains the limited competition in this instance.

Ervin and Associates agrees to pay all costs associated with the processing of this request up to \$50. If the processing fee will be greater than \$50, please call me at (301) 469-3422 to determine whether we will agree to the fee or if we will modify the request.

In addition, please note that our FOIA request dated September 6, 1995, FI-105276, which requests other items pertaining to the same contract as this request, is still outstanding. Your most recent correspondence regarding this FOIA request was on September 3, 1996, when you estimated we would receive the documents by October 8, 1996. Despite our repeated objections to the delays in processing this request, we have yet to receive a single responsive document from you.

Since you will be dealing with the same program area when assigning this request, I would suggest you take the opportunity to also complete the processing of FI-105276 which is now fourteen and a half months old.

Very truly yours,  
Ervin and Associates, Incorporated

  
David J. Ervin
