Re: Freedom of Information Act Request  
KPMG Peat Marwick Work For HUD's 2020 Management Reform Plan

Dear Ms. Morgan:

It has come to our attention that KPMG Peat Marwick is providing services to HUD regarding the development of a computer system to be utilized in the new Assessment Center described in HUD's 2020 Management Reform Plan. Ervin and Associates is unaware of what contract these critical services are being performed under.

Under the provisions of the Freedom of Information Act, please provide us with the following:

- The RFP for the contract this work is being performed under;
- The actual contract this work is being performed under, including any contract modifications;
- Any task orders or work orders issued under this contract, including any contract modifications;
- Any justifications for other than full and open competition, forms HUD-24012, completed for this work.

Ervin and Associates agrees to pay up to \$50 for the processing of this request. If the anticipated fees are to exceed \$50, please call me at (301) 469-3422 so I may have an opportunity to reformulate the request.

Very truly yours,  
ERVIN and ASSOCIATES, INCORPORATED
